The most popular dinner choice is the Baltic Sea's renowned Buffet Tallink served in the buffet restaurants. It is a real feast with mouth-watering appetisers, meat dishes, and season delicacies fresh from the sea. Take your time to sample as much as you desire. You should visit the food tables several times, each time choosing something different.

Begin with the magnificent Baltic seafood such as salmon, herring, fish roes and shrimps. Go on to the cold cuts including reindeer meet and roast beef adding also pickles and mushrooms to your plate. Finally, the hot dishes; a variety of oven-baked, roast options and traditional Scandinavian dishes. Crown your meal with a selection of cheeses, fresh arctic berries or a tasty pudding. Beverages are not included in the price.

The a la Carte restaurants offer fine dining with an extensive choice of food and seating arrangements. Here you can enjoy international cuisine in an elegant atmosphere. The a la Carte restaurants are suitable also for larger assemblies.
