General information

Safaris and excursions are suitable for all. No previous experience is required. However Husky excursions are somewhat more physically demanding than our other safaris and are therefore not recommended for people with restricting physical disabilities.

Technical instruction is provided before all safaris so that all participants have sufficient knowledge of how to manoeuvre the vehicles. Additional emphasis is placed on the special safety regulations regarding every aspect of the safaris.

As a responsible safari organiser, Wild North reserves the right to change the routing, schedules and duration of the excursions if necessary due to prevailing weather conditions or if deemed advisable for safety reasons and the comfort of the participants. We also reserve the right to discontinue the safari if a participant is seen as a potential danger to self or others, or is in poor health.

The snowmobile safaris are operated with 2 persons per snowmobile. Driving a snowmobile under the influence of alcohol is prohibited by Finnish law. According to Finnish law, snowmobile drivers must be at least 15 years of age and in possession of a valid driver's license. Snowmobiles are insured as required by Finnish law. This insurance covers medical care for injuries of the driver and the passenger arising from accidents. The maximum personal liability for damage caused to a snowmobile is € 800 per accident.
