

Tallink Shuttle is a fast and modern ferry connection between two Nordic capitals – Tallinn and Helsinki. With the most up-to-date fleet you travel from city centre of Helsinki to the city centre of Tallinn. Each vessel takes more than 2000 passengers and over 450 cars. A two-hour trip on Star or Superstar is more than just a fast ferry crossing. You have a lot of opportunities for spending your travelling time on these vessels and we guarantee that your trip will be pleasant and unforgettable in every sense. For the most demanding guests there is a special Business Lounge where you can work or relax in a cosy atmosphere, with a generous buffet table and variety of drinks included. Timetable gives you the opportunity of designing a trip for your needs all year round.
